FOR FINANCIAL INCLUSION
SOUTH BEND, IN**

A green crosshair graphic consisting of a vertical line and a horizontal line intersecting at the bottom left corner of the page.

ABOUT JIFFI

The Jubilee Initiative for Financial Inclusion (JIFFI) is a nonprofit community financial services provider founded by University of Notre Dame and Saint Mary's students. We aim to replace predatory payday lending that perpetuates poverty in South Bend. We offer cash advances supplemented by helpful personal financial planning tools to help our clients get ahead instead of falling behind.

MISSION

JIFFI strives to shape a better financial environment for our community and to uphold the financial dignity of every individual by providing access to fair credit and opportunities to build financial assets.

VISION

JIFFI seeks to enable our clients to unlock their full potential through affordable credit solutions, financial empowerment programs, and supportive relationships. Ultimately, JIFFI hopes to create a stronger community, free from the burden of cyclical poverty caused by predatory payday lending.

INTRODUCTION

JIFFI COMMUNITY PARTNER DIRECTORY

This directory is intended to be a resource for JIFFI clients that refers them to community partner organizations that offer various services including food, shelter, health, employment, and more. The purpose of this directory is to connect you to as many resources as possible and to provide a foundation of support to help you thrive. Our list of community partner organizations is in alphabetical order and includes all relevant information including phone number, address, website, hours, a description of their services, and the types of services they offer (the key is provided below).
